THE CAMPAIGN WEEKLY TRIBUNE

REDUCED RATES.

The next Presidential campaign of 1868, for over sixty Years. Our candidates are in the field, and all questions before the people. For the purpose of giving the widest circulation, and thus spreading the facts relative to the principles of the Republican party, we have determined to put the price of THE CAMPAIGN WEEKLY TRIBUNE down to the same cost at which paper. The reduced rates are as follows below:

The present excitement of CANVASS and CAMPAIGN public speeches must be enlarged hereafter over the field, the trials of Republicanism must be imparted upon the people of the patriotic sentiments, documents must be distributed, and at every possible way the people must be aroused to exertion and to duty. The most comprehensive, effective, and convincing medium for this purpose is distributed in the Northwest in THE CHICAGO TRIBUNE. From the 1st day that the first gun was fired on Fort Sumter, throughout the rebellion and to the present time, it has battled in support and aid of those who were fighting for the unity and the integrity of the Republic, and for the liberty and the lasting peace found in equal rights; and it intends to fight it out on that line. Republicans, if you want your neighbors to vote for GRANT and COLFAX for PALMER and the STATE TICKET, send them copies of the CAMPAIGN TRIBUNE. When once they become imbued with the glorious principles of the Republican party, they will vote for the ticket at every subsequent election.

THE CAMPAIGN TRIBUNE, in addition to its own circulation of the issues of the campaign, will contain the reports of the principal meetings held in all parts of the country, and, especially, of those occurring in the Northwest, together with important speeches and documents.

The first number will be issued on the 17th of November, giving full and complete reports of the election.

Orders for the CAMPAIGN TRIBUNE will be distributed throughout the Northwest. Get up your clubs at once. Now is the time for action. The circulation of THE TRIBUNE is already large, but we are able to print more, and are willing to do so at the bare cost of material, paying nothing about labor. We therefore offer the CAMPAIGN WEEKLY TRIBUNE at the following low rates:

For 25 copies	$ 5 00
For 1 Subscriber (4 months)	1 00
For 5 (4 months) at one time	1 00
For 5 to 10 (4 months) at one time	10 copies
For 10 to 20 (4 months) at one time	20 copies
For 20 to 30 (4 months) at one time	30 copies
For 30 to 50 (4 months) at one time	50 copies
For 50 to 100 (4 months) at one time	100 copies

Large clubs at the same rate for a longer or shorter time.

No commissions allowed, and each club must go to one address, but papers will be sent to individuals on receipt of 5 cents for the same per copy additional.

Address, TRIBUNE COMPANY,
Chicago, Ill.

THE RECONSTRUCTION BILL.

The House of Representatives has passed a bill providing generally for the admission of the Senators and Representatives from those rebel States which have adopted constitutions and elected their officers, as soon as their Legislatures shall ratify the pending fourteenth amendment to the National Constitution. The States included in this list are North and South Carolina, Louisiana and Georgia. A separate bill has been passed for Arkansas, and there are motions in the Senate to include Alabama and Florida.

As the bill is provoking considerable indignant feeling among Democratic press we publish it as it stands:

Be it enacted, &c., That the State of North Carolina is entitled and admitted to representation in the Congress of the United States; and Senators and Representatives may be duly elected and qualified from said State, whenever the Legislature thereof shall have duly ratified the amendment to the Constitution of the United States proposed by the Thirty-ninth Congress, and known as Article fourteen, and when the people of said State, by a majority of their qualified voters voting at an election to be held for that purpose, after due notice, shall have adopted a constitution in conformity with the provisions of the act entitled "An act to provide for the more efficient government of the rebel States," passed March 2, 1867, and the act supplementary thereto, and when the said constitution shall have been submitted to Congress by the President for its approval, and when the said constitution shall conform to all the provisions of said act, and when said constitution shall have been approved by Congress, and when said State, by a vote of a majority of the persons qualified as electors under the said act, shall have adopted the said constitution, and when the
